ECONOMIC GROWTH
IN BLACK COMMUNITIES

A person is captured mid-jump in a snowy forest. They are wearing a dark jacket and light-colored pants, with their arms raised and mouth open in a shout. The background is filled with snow-covered evergreen trees. The scene is dimly lit, giving it a moody, winter atmosphere.

The background is a collage of various elements. At the top, there are handwritten notes on lined paper, including 'income', 'shares outstanding', 'per share', and 'earning per share'. Below these, there's a yellow sticky note with the text 'believed she could SO SHE DID'. To the right, there are colorful, abstract patterns in blue, red, and white. At the bottom, there's another yellow sticky note with the word 'Analyze' and some other handwritten text. The entire image has a dark, semi-transparent overlay.
